Dear Ms. Morrison,

Thank you for reaching out to Senator Santana's office regarding your concerns about family court reform and the proposed Michigan Retroactive Legal System Accountability Act. We appreciate your dedication to addressing these important issues and your detailed account of the challenges faced within the Michigan legal system.

Due to time constraints resulting from Senator Santana's position as DHHS budget Chair, I regret to inform you that she is unable to sponsor your proposed legislation. Rest assured, however, that we understand the significance of the matters you have raised.

I encourage you to continue advocating for these reforms and suggest that you consider engaging with relevant advocacy groups and legal experts who can provide further assistance and guidance.

Thank you again for your email and for your efforts to improve the legal system in Michigan.

Respectfully,

Office of Senator Sylvia Santana
